---

We took around 300 students to Dave and Busters this past Friday for the FunRun Incentive Trip on our non-student day. This is such a great morale and positive community event! The teachers got to have fun with our students off-campus on this day---it is so special to get to know our students! Our AUHSD family is one that believes in relationships and building community to best support our students academic and social/emotional needs! Thank you to all our staff and parents who helped with this fun---but extremely busy and even a bit stressful day for a principal:)

During this event, our professional development team led teacher trainings and informative workshops. So I suppose there is never a day off for educators! We always sneak in learning!

Ms. Harpst, our Home Ec teacher, just made your Superbowl Weekend! She was busy this week working on getting your students ready with a champion menu to satisfy your hunger while enjoying the big game! Chips, queso, dip, taquitos, and more! So don't forget to put them to work while you root on your favorite teams!

# LEXpectations

It's official---LEXpectations are out! All of your students were visited by our counseling team on our school wide program, LEXpectations. As part of our AUHSD pledge, that was introduced to you at Back to School Night, our junior high responsibility toward this pledge is completing the tasks outlined on LEXpectations. Ask your student about it! They all received the official cards and there is even a HAiku page on it that your student can log on to let you see! We will have a coffee chat/parent night soon to inform parents on our pledge and LEXpectations! Stay tuned!
