# Lexington Junior High School School Accountability Report Card Reported Using Data from the 2016-17 School Year Published During 2017-18 

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2017-18)

## School Vision Statement:

At Lexington Junior High School, we believe in order to be successful, educators must create a high-interest level in learning, and maintain cross-curricular collaboration with enthusiasm for all subject areas. We are dedicated to maintaining high expectations for ourselves and for our students and dedicated to utilizing a variety of instructional strategies, so that students are actively engaged in relevant learning and are successful in their classes. We set professional goals annually, and frequently re-examine our effectiveness through peer collaboration and the sharing of best practices. Our collaborative and enthusiastic spirit maintains our focus on continuous improvement, with the intent to help all students actively and successfully engage in their own academic and social development.

Mission Statement:
At Lexington Junior High School we believe we should provide every student with a purposeful education that promotes communication skills, ownership and relevancy.

Educational Highlights:
Lexington Junior High School is a California Distinguished School and offers a wide variety of elective opportunities for students, including several that are only available at Lexington, such as Guitar, Beginning and Advanced Choir, Show Choir, three levels of Band, Drumline, Spanish, Home Economics I and II, Art I and II, Drama I and II, as well as Stagecraft, Computers, Digital Animation, Multimedia, Reading, Woodshop I and II, Study Skills, Yearbook, Newspaper and Associated Student Body (ASB). Lexington offers multiple levels of math for the students: Math 1, Honors Math 1, Math 2, and Honors Math 2. Lexington Junior High School has implemented a "Silent Study or Reading" program in the middle of the day to give students time to work on assignments or catch up on recent novels. Lexington counselors meet regularly with parents and students to monitor student progress. English Language Development (ELD) classes are in the schedule for four periods, and literacy intervention courses are offered throughout the day. To add an extra layer of support, free after-school tutoring is offered for all subject areas in the Library four days a week. We employ teacher and parent (Korean, Spanish and Arabic) learning walks one time a month.

Demographic Information:
Lexington Junior High School, located in Cypress, California serves 1,460 students, in which 37\% participate in the Free and Reduced Meal Program, and $6 \%$ are English Learners. The demographic profile also indicates the following regarding student subgroups: $33 \%$ Hispanic, $25 \%$ White, $28 \%$ Asian, $6 \%$ Filipino, $2 \%$ African American, 1\% Native American/Pacific Islander, and 5\% multiple ethnicities.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: September 2017
All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district-level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

This information was collected in September 2017.

| Subject | Textbooks and Instructional Materials/ Year of Adoption | From <br> Most Recent Adoption? | Percent of Students Lacking Own Assigned Copy |
| :---: | :---: | :---: | :---: |
| Reading/Language Arts | English language arts textbooks, Houghton Mifflin Harcourt-Collections, were adopted in 2014-15. There is one textbook available per student. | Yes | 0 |
| Mathematics | University of California, Irvine Mathematics Project curriculum and instructional materials were adopted in 2014-15. Additionally, mathematics textbooks, by Carnegie Learning, were adopted in 2014-15. Course appropriate, standards-aligned instructional materials have been selected for each mathematics course. | Yes | 0 |

## School Facility Conditions and Planned Improvements (Most Recent Year)

The Lexington Junior High School campus opened in 1972. The 20.3 acre site includes 43 regular classrooms. There are 9 labs, which are designed for specific programs (i.e. computer lab, science lab, etc.). The site also includes a media center, a cafeteria, a gym, and a variety of sports fields. The Lexington facilities were renovated about 10 years ago, in which all campus buildings were modernized. New science classrooms and staff parking were added. PTSA and the School Site Counsel purchased a new electronic marquee in the summer of 2010.

Maintenance and Repair: Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority.

Cleaning Process and Schedule: The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including waxing of floors and painting, takes place during times when students are not in classes. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

The most recent site inspection was completed on September 13, 2017.

## School Facility Good Repair Status (Most Recent Year)

Using the most recently collected FIT data (or equivalent), provide the following:

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

| Foster Youth | -- | -- | -- |  |

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

| Grade <br> Level | Percent of Students Meeting Fitness Standards |  |  |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

## Opportunities for Parental Involvement (School Year 2017-18)

Lexington Junior High School is a highly active campus, with a wide variety of programs and extra-curricular activities developed for the diverse student body. These activities are successful, because of the genuine support and volunteer spirit of our parents and community. Over 150 parents sign-up annually to assist in the following areas: Book Fair, dances, FunRaiser/FunRun (annual Fundraiser bringing in around $\$ 75,000$ ), band performances, drama shows, dance/choir performances, library assistance, classroom assistance, and reward/incentive programs. Additionally, parents are invited to participate in school-wide reflective learning walks, encouraged to join a very active PTSA, or seek a position on the School Site Council (SSC), Discipline Committee, or English Learner Advisory Committee (ELAC).

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## Suspensions and Expulsions

## School Safety Plan (School Year 2017-18)

School Safety Plans are reviewed and updated on an annual basis. Input is gathered from staff, community resource groups, and the School Site Council in order to determine any needed changes. The Lexington Junior High School Safety Plan is implemented by staff members. No less than four safety/evacuation drills are conducted throughout the school year. Students, teachers, and other faculty members are required to participate in these drills.

Types of Services Funded (Fiscal Year 2016-17)

English Learner, Special Education, and Staff Development programs are supported through the following categorical funds: Special Education, Title II Professional Development, Local Control Funding Formula (LCFF), and Perkins funding. Additionally, the funding supports a Multi-Tiered System of Support Specialist, who assist with connecting struggling students to interventions to help support successful academic outcomes. A schoolwide fundraiser and other grants are also sources of support for curricular programs.

## Professional Development (Most Recent Three Years)

Teachers participate in a variety of District in-services as well as professional development workshops and conferences to enhance their knowledge and instructional skills. This is in addition to two non-student days and weekly late-start meetings, which are scheduled each year for professional learning activities. New teachers are also required to participate in the Beginning Teacher Support and Assessment (BTSA) program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize students' assessment results in order to target instruction to better meet the individual needs of students. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons.
