**Goodbye SummerHello School** 

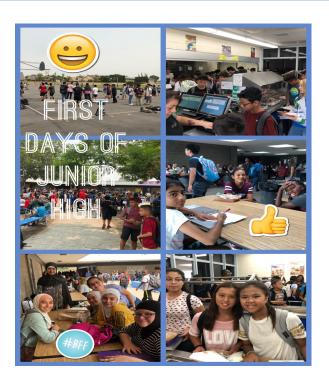

The first day of school was a blast! It has never gone so smooth. Your 7th graders seemed like seasoned pros at navigating and getting around campus! 8th graders were all smiles!

Teachers are outside greeting students, and our 8th grade leaers are making sure everyone feels comfortable and safe! Administration is out in the parking lot and halls for the smoothest transitions! Our office staff is super busy with helping everyone get what they need, while the custodians have been making sure this campus looks tidy.

This week students got their email and Aeries log in and passwords in their English classes. Check in with your student to ensure they understand how this works because they will be using it throughout their time at Lexington and Cypress High School. Haiku (power school) is another way teachers inform stakeholders of class information! Parents make sure to get connected on Aeries to keep up on your student's grades and progress, and like/follow us on Facebook for up to the moment information!

Last week all Lexington students participated in registration activities on campus! We had PTSA parents, teachers, office staff and custodial crew setting the tone with their positive attitudes and smiles delivering A+ customer service to our incoming families.

Our 7th grade students got to come back to campus for our Welcome Day where they got their schedules early and got to know our campus. A special thanks to our awesome teachers and staff who spent their morning hosting all these new lion cubs to the Pride!

Our PTSA put on an Aloha staff appreciation luncheon on Tuesday August 7th--reminding us yet again how lucky we are to be part of such a supportive family community!

### **Photography Elective**

Photography is a new elective at Lexington this year. The photo classes kicked off the year with a 10 Minute Challenge photo walk to get to know one another better and to learn the basics of handling and using a camera. Ms. Hind teaches Photography, Journalism, and Yearbook.

Photography is partnered in a semester class with Art, taught by our Mr. Coombs! Mr. Coombs also runs the K-Pop Club that met today, Friday!

### Athletics

Season 1 sports meetings will be held at the beginning of the week. This includes: Flag Football, Girls Volleyball and Boys Tennis. Permission slips must be turned in before your athlete is able to practice. Practices will be held Monday-Friday afterschool.

### **Office Reminders and Protocols**

-Please remind your students to be safe walking to/from school. Use crosswalks at all times and do not have ear buds in.

-Parents all streets around Lexington, Landell and Arnold are all 25 MPH while children present (school traffic hours).

-This email called the Monday Memo will go out every Sunday night. It will also be on our School Website. This is the best way to get information and stay in the know for all school happenings! If you are not getting the emails-please email Mrs. Houston.

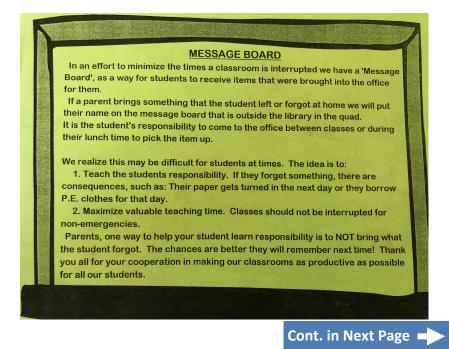

-Haiku (PowerSchool), Remind.com, GradePop, Aeries and our Lexington Facebook page are great tools to stay connected to your student and the school.

-First Coffee with the Principal is this Tuesday, 9am in the MPR. Mrs. Houston will be presenting on ways to help your student be successful and also answer all questions.

-Did you know you can nominate a staff member of the day! If one of our Lions are doing awesome don't be shy—give them a shout out. Below is the flyer to complete and they are also in the main office.

-We will not interrupt classes to get items to your student. Their name gets placed on a large white board in the quad for them to see. If their name is on it-they need to come to the office for an item (ie. lunch, homework, book, etc.) For more info, see green sheet below.
