AFTER SCHOOL SPORTS ARE IN SESSION

QUARTER 2 SPORTS

Sports has started! We are so happy to offer after school intermural sports to all kids! This is a fun activity to learn and sport and have supervised structure for our students. Contrary to popular belief, this is not a 6-week tryout for the “team”. This is a fun after school activity and our coaches pick a team at the end to participate in some tournaments with our other AUHSD junior high schools. Students chosen are based on commitment, heart, talent and sportsmanship.

This quarter sports are:

Boys Basketball, Girls Soccer and Girls Tennis.

Tournaments will start in November/December—stay tuned! For now let’s just have fun!

Thank you to all our dedicated coaches that are out there everyday! Pictured here is McIver and Rieger headed up boys’ basketball!

MAYOR'S PRAYER BREAKFAST

Mrs. Houston, Dr. Wales (Principal at Cypress HS) and Dr. Bailey (Principal at Oxford Academy) attended the city of Cypress Mayoral Prayer Breakfast this week. It is a lovely morning shared with key players in Cypress ranging from city council, to church leaders, to school officials and community members. We live in such an awesome unified city!

Various community members shared their testimony on their experiences in life and their profession. Mrs. Houston presented on the realm of education.

We even had students leaders play instruments, sing and perform. One of our own students, Savanna Mzuri, performed the instrumental for this lovely event. I am so proud of her-she represented Lexington very well!

CIVIC MINDED

This week we had a student driven awareness day—we had a great set of students who orchestrated wearing pink, and paint on face in honor of those who have survived or passed from this terrible disease.

They arranged for everyone to meet by the lion at lunch for this picture! I am so proud to have students who take action and care!

KIDS GETTING ENGAGED

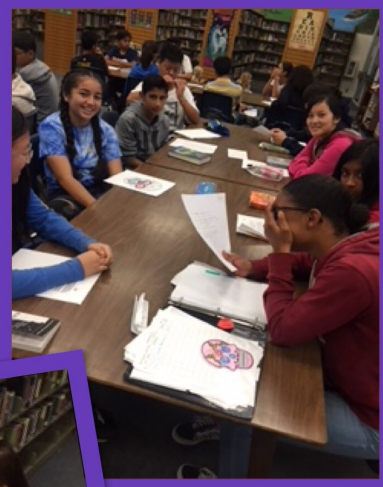

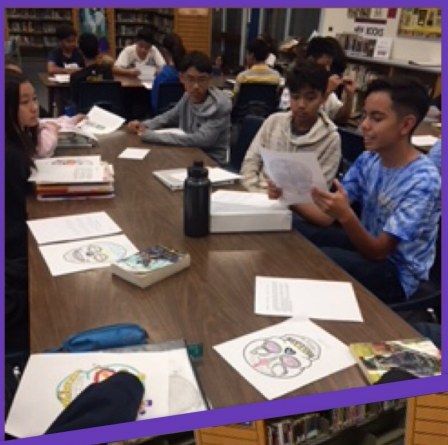

The Great Shake out

ENGLISH

THE GREAT SHAKEOUT

Lexington participated on October 18th- the Great California Shake Out. This earthquake preparedness drill was conducted State-wide at 10:18 a.m.. Students and staff participated in the drill that included evacuation procedures, search and rescue, and first aid simulation. This drill helps us all to be better prepared in the event of an earthquake. It took our school 8 minutes to get on field, and 25 minutes to all clear. The Great California Shake out drill is a great reminder for all families to revisit emergency plans with their children, update emergency supplies at home, and make sure that all contact numbers are current.

ENGLISH

Today in English classes students met in their book clubs to share character calaveras created with lots of symbolism. I love that our teachers collaborate and model how to collaborate with other students!

ASB RULES

ASB has had spooktacular activities for our students at lunchtime. First the Knott's scary farm monsters came, followed with a scream contest, some fun games and today was a candy craving challenge.

Our ASB has been very busy planning for all the Halloween activities. We have our dance next Friday after school from 2:30-4:00pm.

Mr. Cornelius is non-stop with his energy and fun for our students—to not only make them smile, but feel like they belong.

STAY CONNECTED

- Don't forget to make sure you have a working **Aeries account**. This is where you can see your student's attendance, grades, assignments and more!
- **Gradepop** is an awesome APP that pulls from your Aeries account in a quick and easy viewing screen.
- **Haiku**– is an online program that many of our teachers use to post information, assignments, tips, tools and more! Parent log in-is the same as your student.
- Follow up on **Facebook** for live and current happenings! We post daily pictures of your students in action and also use this to notify families of events or cancellations of clubs/practices.
- **Lexingtonjhs.org** is our website. Class curriculum letters, news, calendars and updates are also on this tool!

OUR SCHOOL VISION

At Lexington Junior High School, we believe that to be successful educators we must create a high interest level in learning and maintain cross-curricular collaboration with enthusiasm for our subject areas. We are dedicated to maintaining high expectations for ourselves and for our students and to utilizing a variety of instructional strategies so all students are actively engaged in relevant learning and are successful in our classes. We set professional goals annually and frequently re-examine our effectiveness through peer collaboration and the sharing of best practices. Our collaborative and enthusiastic spirit maintains our focus on continuous improvement with the intent to help all students achieve academically and socially at Lexington.
