PHYSICAL FITNESS

In PE we write! Yep, that's right! Our 7th grade students complete an assignment called the Fit Tips for a Healthy Lifestyle. Our PE teachers use this lesson to show the importance of making healthy choices—so they educate the students on what it is and what it is not. Students research any healthy tip to share with their peers. Then administration reads one a week to the entire school. This week, Gabriel Rodriguez, shared with us on the importance of exercise and being active!

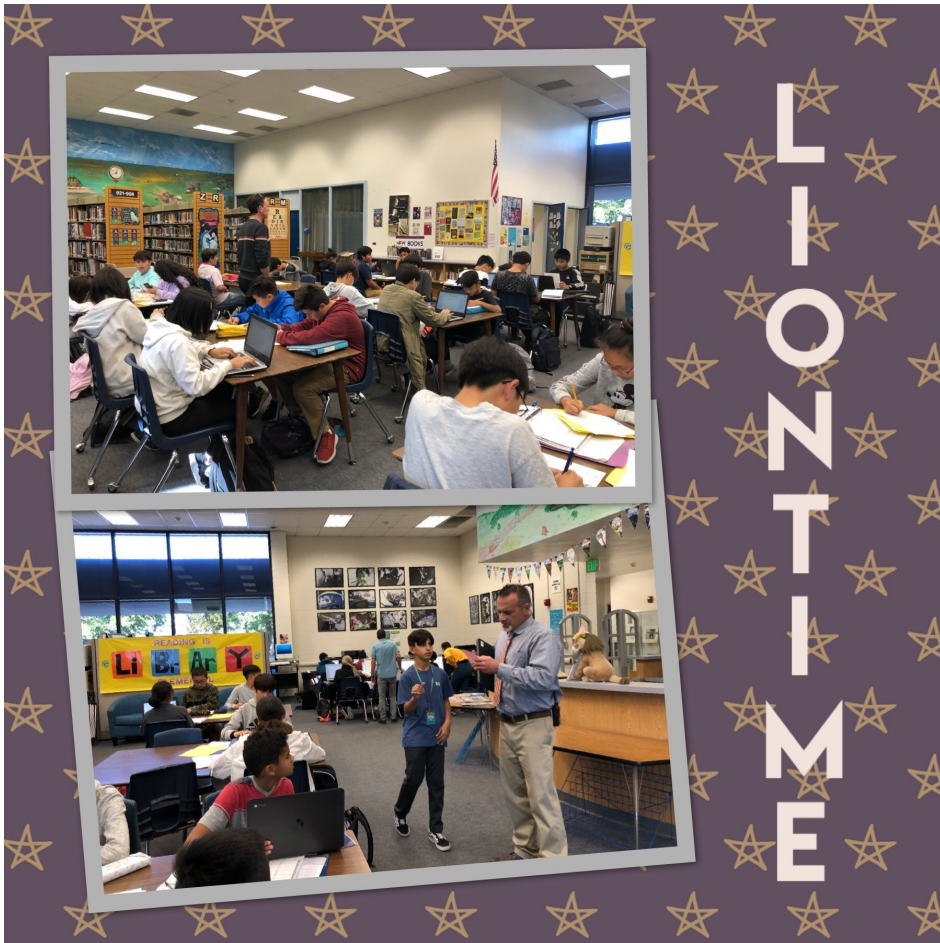

IN 8TH GRADE SCIENCE, THERE WAS A LAB THIS WEEK ON STATIC ELECTRICITY.

STUDENTS ARE INVESTIGATING THE SCIENTIFIC PHENOMENA OF STATIC ELECTRICITY.

THEY HAD A GREAT TIME AND GAINED A BETTER UNDERSTANDING OF WHAT ELECTRICITY IS AND THE COMPONENTS OF ELECTRICAL CURRENT.

I MEAN...WHO DOESN'T LOVE MAKING THEIR HAIR STAND UP TALL?!

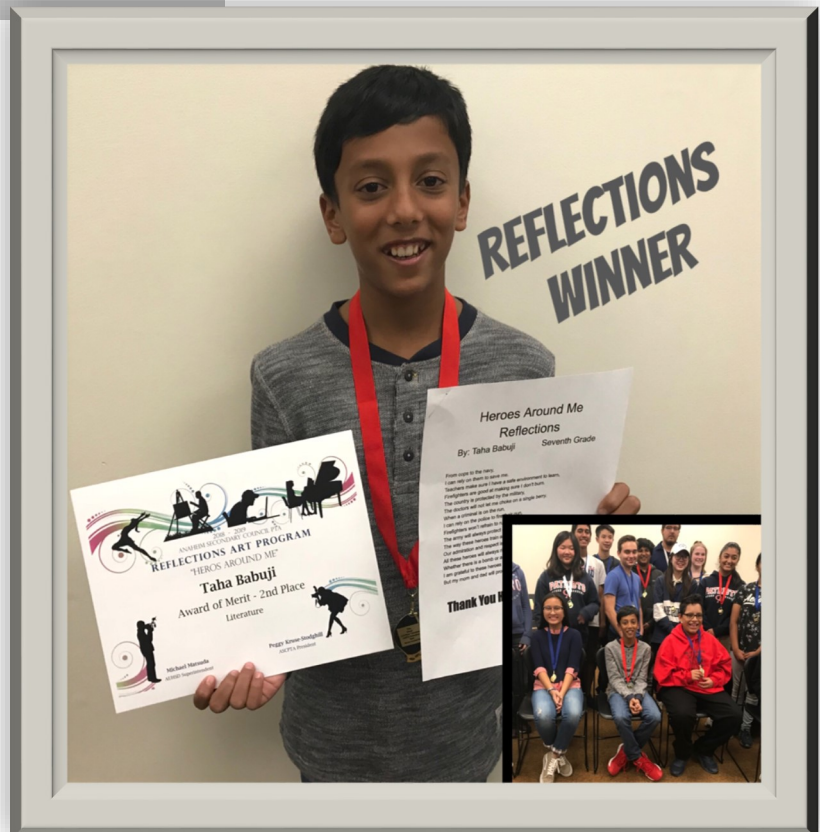

LION TIME HELPS

After lunch everyday except on Tuesdays, we have SSR time. This is also the time we hold Lion Time in our Library. This 20 minute intervention is ran by our Lesson Design Coach, Mr. Perales,, our administration and our counselors. We are able to provide in-school day support to students who may need that extra support in organization, language, writing and more. Our second quarter students are doing awesome—overall grade improvement is happening and we love getting to know student better!

PTSA REFLECTIONS WINNERS AUHSD

Our awesome student, Taha Babuji's (7th grade) poem won second place in the category of literature in the AUHSD PTSA Reflections contest! This year's theme, Heroes Around Us., was a special one. Congratulations Taha!!!

FUNRUN REWARDS

We had our All You Can Eat Pizza Party for our students who reached the incentive for our FunRun. Even though it was a rainy day-we had tons of fun with music, raffles, and of course PIZZA! Students left happy and full. We thank you for all your support to provide our Lexington students with awesome materials, and opportunities! A huge thank you to PTSA for coming out on such a gloomy day to help serve our students! The Ice Cream Party will be on December 18th after school!

CHOIR AND GUITAR

Upcoming Events: Cypress Tree Lighting - Dec. 4 & Choir/Guitar Show- Dec.
Choir/Guitar Show- Dec 11 Tickets on sale starting Tuesday for \$1

Choir performed at Knott's this past week—and even had a little fun after! Way to go!

CHOIR
KICKS IT
AT
KNOTTS!

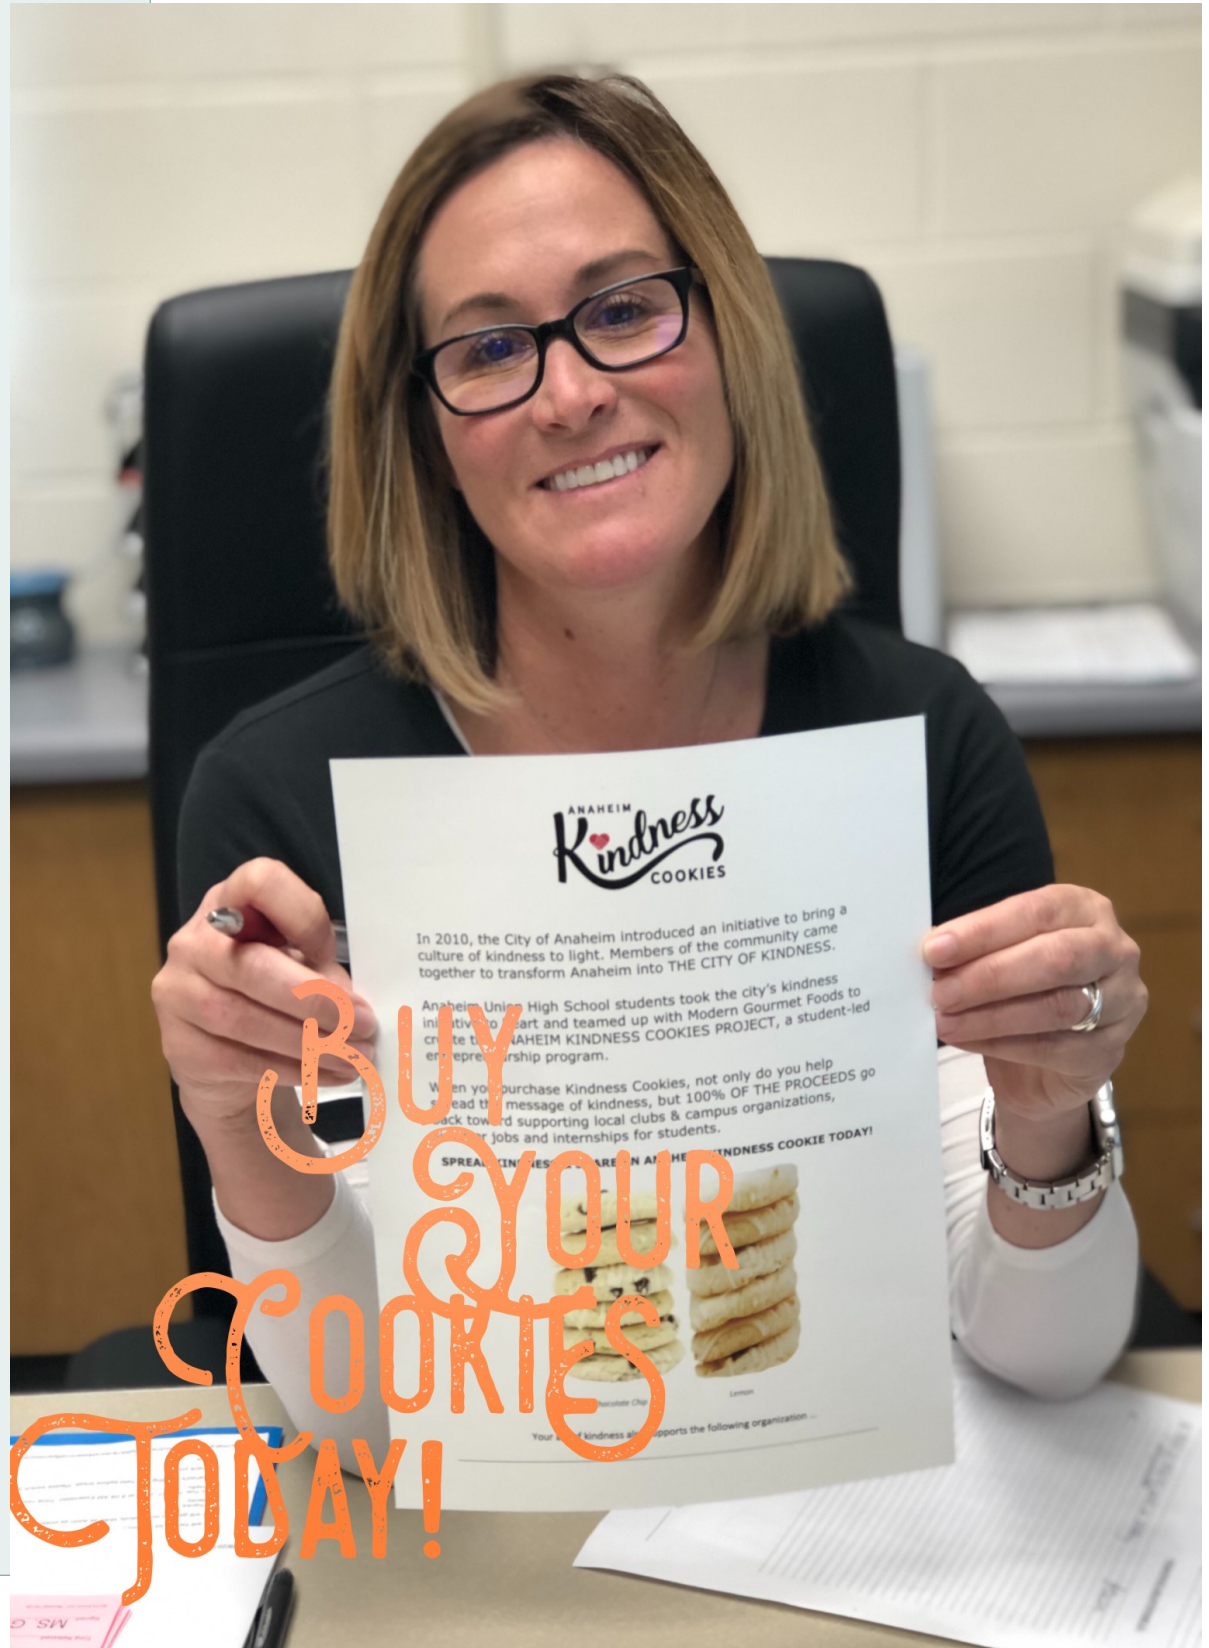

All 7th grade English students were led through a social justice project with the text, *The Christmas Carol*. Students chose a modern day scrooge in the world and developed social justice art projects to express themselves. Way to go students!

BUY A COOKIE

We are selling Kindness Cookies again this year! AS you remember, the city of Anaheim was named the city of kindness. We sell Kindness Cookies that are 100% created, made and distributed by our AU-HSD students, in order to raise money for our AIME mentorships for our high school students. Please consider purchasing a box or two—they will be in before the holidays!

CITY OF KINDNESS

MIKVA SPEECH CLASS

In a little over a week we will celebrate the power of youth voice and civic action at the 4th annual Orange County Project Soapbox Competition. Our teachers, Ms. Larsen and Mrs. Heck, have been working diligently to prepare your students to speak out on issues that affect them and their communities! In addition, one student from the finals round will be awarded an all expense paid trip to Washington DC to perform their speech in the nation's capital through our [Soapbox Nation](#) initiative.

A poster for the Project Soapbox Competition. The background is dark blue with a collage of white text including 'POLICIES EXAM', 'COMMUNITY.ORG', 'VE OF SOLU', and 'TRANSFO'. In the center, there is a faint image of a person speaking into a microphone. The text is white and bold.

OUR SCHOOL VISION

At Lexington Junior High School, we believe that to be successful educators we must create a high interest level in learning and maintain cross-curricular collaboration with enthusiasm for our subject areas. We are dedicated to maintaining high expectations for ourselves and for our students and to utilizing a variety of instructional strategies so all students are actively engaged in relevant learning and are successful in our classes. We set professional goals annually and frequently re-examine our effectiveness through peer collaboration and the sharing of best practices. Our collaborative and enthusiastic spirit maintains our focus on continuous improvement with the intent to help all students achieve academically and socially at Lexington.
