MIKVA CHALLENGE SOAP BOX CONTEST

SPEECH&DEBATE

On Saturday, December 8th eight students represented Lexington in this Mikva annual competition. Students wrote speeches on issues in the community that they want to change, solve and speak out against. The Mikva educational program is about getting students to focus on issues that affect them and their peers and making a call to action to decision makers.

The students that represented us were Viren Mehta (global warming), Faiz Ganie (religious stereotypes), Nithiya Moorthi (teen stress), Matthew Hwang (stereotypes), Savit Malhorta (vaping) from Mrs. Heck's speech and debate class. Mrs. Larsen also brought her student Briana Lopez (teen depression). Viren and Faiz made it to the finals and Viren took 2nd place overall. The next time is putting their issues into action. Congratulations to all!

Photography students continue to work on their studio portraits. For this assignment, students had to demonstrate three of the five basic lighting set-ups (including proper light, subject, and camera placement). They are truly improving and growing into our next Ansel Adams!

CHOIR

Mrs. Batinga and her choir classes executed the holiday spirit in their awesome Winter Choir Show! With over 1,000 people in attendance, we had areas of standing room only. Not only did we hear from the choir singing, we also got some instrumental by guitar students and also classical orchestra sounds...no to mention the ukulele and hula dancers! Lexcellence is truly a treat to watch—even Santa made an appearance!

Ms. Berekian, AKA Nasa girl, got moonrocks on loan to our school! Yes, NASA sent us moon rocks for our students to see!

Stay tuned for our Science Fair in February that the whole family can enjoy!

It was yummy and just what we like to eat during the holidays!

ORANGE COUNTY

Orange County Peer Court

February 19, 2019

Peer Court involves an innovative process through which teenage students – ages 11 to 17 – recommend sanctions for first-time juvenile offenders. About 240 minors appear before Peer Court juries each year. Members of the jury pool earn three hours of community service.

Operating under the authority of the County of Orange Probation Department, Orange County judges preside over the sessions and select student juries from the audience. The jurors ask questions of the juvenile offender and parent(s), deliberate with the assistance of an attorney advisor and recommend sanctions to the Court to help get the minor back on the right track. The Judge issues the final decision on sanctions with the Probation Department supervising completion of the court-ordered sentence.

When: Tuesday, February 19, 2019 2:30 - 4:00 p.m.

Where: Lexington Junior High School MPR
