#GLOBALEDUCATION

We hosted a small group of students from China this past week! Our district started this program last year and it has provided such rich and meaningful experiences for our Lexington students! We had Lexington ambassadors for each exchange student. They were their “buddy” for the week attending classes and activities together! I am very honored to host such awesome and courageous Chinese students and so proud of our Lexington students that welcomed them in like they have been a part of our Lion pride forever!

**NEW FRIENDS FOR
NEW YEAR**

CLOSING CEREMONIES-SAYING GOODBYE

Dear Anaheim Union High School District Community,

As we continue to look towards the future and develop world-class educational programs that nurture and unleash the unlimited potential for our students, your input is extremely valuable. Each year, together as a school community, we revise and refine our Local Control Accountability Plan (LCAP). Your thoughts and opinions help us shape our vision and priorities as we ensure our students graduate college, career, and life ready.

Please take a few minutes to click on the link below to complete our community survey:

Fill out our community LCAP survey in :

English here: <https://www.surveymonkey.com/r/C9QS5QK>

Spanish here: <https://www.surveymonkey.com/r/CDLKGPM>

Vietnamese here: <https://www.surveymonkey.com/r/CY8B5MZ>

Korean here: <https://www.surveymonkey.com/r/CYXZFNX>

The LCAP is the way the State of California allocates funding to local school districts. Under the new Local Control Funding Formula (LCFF), state funding for schools is designed to be more flexible, allowing for more local control over academic spending priorities.

We are asking our stakeholders for input, specifically focused on the following LCAP goals:

- All students will demonstrate college, career, and life readiness and success
- Provide meaningful educational engagement opportunities for all parents and families to advocate for all students
- Provide and nurture a safe, reflective, responsive, and positive school culture

Your input in these areas will be gathered and used to inform the development of our 2019-20 LCAP. For those who are interested in viewing our current LCAP, please visit our District website at the following address: <http://www.auhsd.us/district/index.php>

Thank you for your continued support and participation. All the amazing people in the Anaheim Union High School District community remind us of why we must continue to move AUHSD from good to great!

Respectfully,

Michael B. Matsuda

LEXPECTATIONS

Ask your students about LEXpectations! This dynamic and meaningful activity challenge is designed for 7th and 8th graders. Our counselors have met with all history classes in the last week to deliver the meaning, vision and purpose behind these activities. Part of our LEXpectations is the information and opportunities that our AUHSD pledge provides for all AUHSD students. If your student completes these college, career and life ready activities—they will earn a college visit fieldtrip in the spring! Ask your students about LEXpectations!

7th grade PE classes completed a very relevant assignment—researching tips on healthy life styles. This week we read, Tyler Cruz-Nino’s fit tip, over the morning announcements!

His fit tip was the importance of getting organized in life—making time for family, work, working out, staying healthy and being positive! I love this! A good reminder for all of us!

COFFEE CHAT

Unlimited You! Maybe you read about it over break from the email our Superintendent Matsuda sent out! A lot of exciting things happening! We will talk about this and Counseling will present on the 6-year plan for your student! Come on by to our Library on Feb. 5th at 9am to have some coffee, cookies and counseling fun!

ORANGE COUNTY

Orange County Peer Court

February 19, 2019

Peer Court involves an innovative process through which teenage students – ages 11 to 17 – recommend sanctions for first-time juvenile offenders. About 240 minors appear before Peer Court juries each year. Members of the jury pool earn three hours of community service.

Operating under the authority of the County of Orange Probation Department, Orange County judges preside over the sessions and select student juries from the audience. The jurors ask questions of the juvenile offender and parent(s), deliberate with the assistance of an attorney advisor and recommend sanctions to the Court to help get the minor back on the right track. The Judge issues the final decision on sanctions with the Probation Department supervising completion of the court-ordered sentence.

When: Tuesday, February 19, 2019 2:30 - 4:00 p.m.

Where: Lexington Junior High School MPR

How: Just show up and plan to stay the entire time. You may not leave early. Some history classes give extra credit. See your teacher for requirements.

SERVATHON-DAY OF KINDNESS MLKJR2019

Students in Ms. Bating's choir class spent their Monday off of school spreading love and kindness to our senior citizens of our community. They performed a 30 minute competition set with the theme of Love and Kindness all over the world. We had amazing parent volunteers there as well helping. I am so proud to be a part of this village that spreads the news that our AUHSD kids are compassionate and amazing!
