CIVIC LEARNING AWARD

Congratulations!

2019 Award of Excellence
Lexington Junior High School
Anaheim Union High School District

CALIFORNIA COURTS
2019-2021

On behalf of the Board of Trustees and the District, I want to extend my congratulations to all staff, students, and parents for the highest honor in the state, "The Award of Excellence." This honor is bestowed to only one high school, one junior high school, and one elementary school in the entire state.

Cypress High School and Lexington Junior High School have both been named with the award, which is co-sponsored by the State Superintendent of Public Instruction and the Chief Justice of the California Supreme Court.

The schools will be recognized by a visit from the Chief Justice in the spring.

Chief Justice Tani G. Cantil-Sakauye is committed to a broad and far-reaching effort to improve civic learning and engagement in California. This initiative, known as the Power of Democracy campaign, is supported by statewide partners who help revitalize democracy and promote access to justice in California.

Congratulations to all! You make us proud, not only for the District, but for our communities, and for democracy.

Thank you for all you do each and everyday.

Mike Matsuda

Best Buddies from Autism focus and dancers rehearsed at lunch and then performed at Cypress High school with clubs from across the district and the Hope Cheerleaders. What a heartwarming night!

REGISTRATION

8TH GRADERS MARCH 20

7TH GRADERS MARCH 19&21

Registration for the 2019-2020 school year for CURRENT 7th graders:

Lexington counselors will be in the classrooms on March 19th and March 21st to distribute the registration cards to our current 7th graders. This registration card will allow them to select classes for 8th grade. Several classes (honors classes, advanced electives, aide positions, etc.) require a teacher's signature before students will be considered for those classes. Cards submitted without the appropriate signatures will prevent students from getting the classes they want. Please review the registration card with your child and be sure they have filled it out correctly.

4-Year Plan for High School:

Our counselors have visited all 8th grade classes to guide our 8th graders through the development of their 4-year plan for high school. The purpose of this guidance lesson is to inform students of the classes they have to take to earn their high school diploma and to review the A-G requirements (courses necessary to attend a 4-year university). Students were guided through the development of their own 4-year plan. Be sure to ask your 8th grader about their 4-year plan and have them review it with you. This plan will be revisited each year with their high school counselor throughout their four years high school.

Registration for high school---CURRENT 8th graders:

Cypress High School counselors will be at Lexington on March 20th to distribute registration cards to our 8th graders. Completed cards will be due on March 27th. Students will be required to get teacher signatures to take certain classes. Be sure to review the card with your child to make sure they have completed it accurately. This will greatly increase their chances of getting the classes they want.

**** Please check with Cypress High School on their incoming parent night. Post cards are to be sent from Cypress HS, date tentatively set for March 21, 2019.*
