#AUHSDUNLIMITEDYOU

We are so proud of our school for its commitment to teaching the 5 C's: Critical Thinking, Communication, Collaboration, Creativity and Character (kindness). We are being recognized at the state level for our achievements in these commitments to our students. Lexington is the recipient of the following awards this year: Civic Learning Award of Excellence, California Distinguished School 2019, Exemplary Arts Program 2019, and California Democracy School 2019. I want to formally congratulate our students and staff for always going above and beyond in all they do! Great things and more to come!

SPECIAL INTERESTS

- ⇒ State testing
- ⇒ Awards-Civic
- ⇒ Open House
- ⇒ Home Ec

California Chief Justice Tani Cantil-Sakauye visited our Lexington students and community this past week presenting us with the Civic Award of Excellence! Only one junior high school in all of the state is awarded this prestigious honor. Our feeder high school, Cypress, was given the award as the only high school. She did a student gallery walk with our students before the ceremony where she met and conversed with our student on the civic engagement lessons/projects they have been doing. Our Annual Tolerance Summit was a huge component that gained us this honor. The purpose is to create solution oriented citizens, to raise awareness about cultural identity, and to build empathy for our diverse community members. This is 100% student produced! The English, History and Speech lessons, activities and culminating Tolerance Summit is how Lexington was awarded the Civic Learning Award this year.

VISUAL ARTS

Mr. Coombs, art teacher, represented us well in our AUHSD Color and Light Art Show at Anaheim Convention Center this past Thursday. We always have a good showing of talented artists that Mr Coombs seems to help flourish even more! Mr. Rieger, our woodshop teacher, also competed in the 3-D Exhibits and his student won first place! The arts is alive and THRIVING at Lexington!

BAND DRUMLINE

Drumline Shows:

4/13: Riverside MLK HS, 8am-2pm

4/27: Azusa HS, 8am-2pm

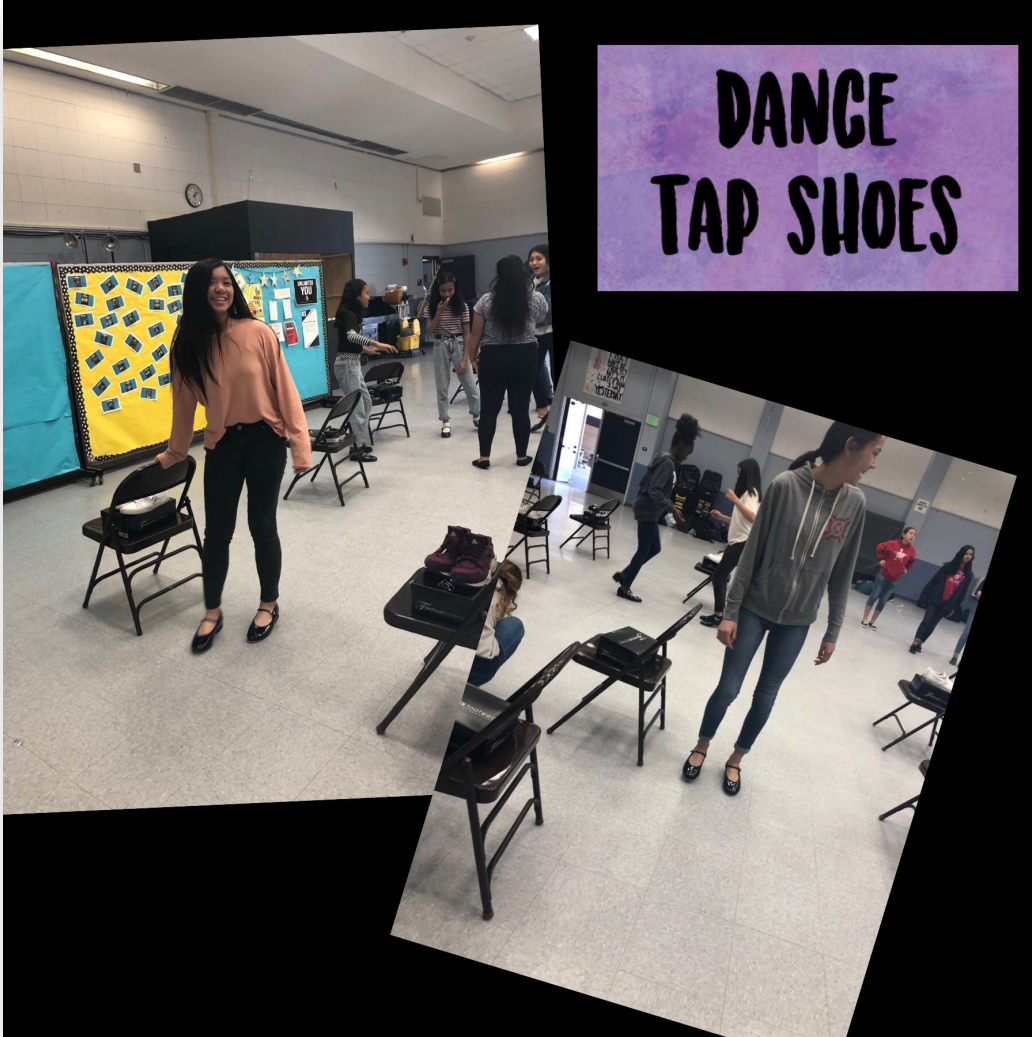

ATHLETICS

We hosted our first track meet last week—and we brought home a lot of victories!!! Stay tuned for more this week and next! An on April 30th, we will start our Boys Volleyball and Girls Softball athletic tournaments against our surrounding junior high schools.

TGR LEARNING LAB
SUMMER ACADEMY APPLICATION
Dale, Lexington, Orangeview and Walker Jr. High Schools

The TGR Learning Lab is excited to host a program for current AUHSD junior high school students who are completing their 7th or 8th grade year. This one-week Summer Academy will engage and teach junior high school students about the essential links between goal setting, developing skills, higher education and real-world careers.

SUMMER ACADEMY OVERVIEW:

Building robots, creating chemical reactions, comparing various animals' anatomy and designing a mobile app makes for an unforgettable summer learning experience. The TGR Learning Lab in Anaheim invites you to participate in a one-of-a-kind STEM (science, technology, engineering, and math) program. Come spend a week utilizing cutting edge technology while developing the skills necessary to be a chemist, mobile app creator or an engineer in the fields of robotics or structural towers and bridges.

DATES: June 10-14, 2019

TIME: 9:00am-12:00pm

WHO: Current 7th – 8th grade students from Dale, Lexington, Orangeview and Walker Jr. High Schools. Also, for Oxford Academy students whose home school is listed above.

COST: \$5 refundable deposit

APPLICATION DEADLINE: April 12, 2019

*Round trip transportation will be provided through AUHSD Dale, Lexington, Orangeview, Walker and the TGR Learning Lab. A transportation schedule will be available in May.

HOW TO APPLY:

There are three steps in the application process. Classes are filled on a first come, first served basis. Classes have a limited number of spaces so it is recommended that you submit your application early. Please follow all directions and use the checklist below as you complete each step:

Steps 1 & 2: Complete Student and Parent Information Sections

Step 3: Prioritize your preferences of class

Step 4: Attach a copy of your official or unofficial transcript

Step 5: Submit completed application packet to the TGR Learning Lab or your school's counselor by **April 12, 2019**

For questions, please contact Ashley Martinez at amarinez@tgrfoundation.org or at 714-765-8000.

CAASP Testing (State Testing)

All test are given during school day

ELA (English Language Arts)

4/11 and 4/12

Science

4/22 to 4/26 (in science class)

Math

CAASPP State Testing Announcement:

All 7th and 8th graders will start taking the California Assessment of Performance and Progress (CAASPP) tests as follows: 4-11-19 to 4-12-19 = English CAASPP, 4-22-19 to 4-26-19 California Science Test, 4-26-19 to 5-3-19 Math CAASPP.

It is important that our students give their best efforts; sleep well the night before, eat a healthy breakfast, come with your earbuds and a testing mindset.

In Junior High School, these test scores help give a glimpse into what our students 's strengths are and areas requiring more attention and support. For our English Learners, the CAASPP is one measure to reclassify students as English Proficient which allows access to more elective classes. In High School, these tests measure the degree to which our students are demonstrating college & career readiness. These scores are used for course placement at the community college, CSU, and UC levels since these schools have eliminated placement tests. These scores are also used to determine eligibility for the State Seal of Biliteracy and E L Reclassification.

Please help our students succeed by making sure they sleep and eat. Please bring your EARBUDS (Bluetooth headphones like Ear Pods will not work) on testing days. Students – give it your best effort.

OUR SCHOOL VISION

At Lexington Junior High School, we believe that to be successful educators we must create a high interest level in learning and maintain cross-curricular collaboration with enthusiasm for our subject areas. We are dedicated to maintaining high expectations for ourselves and for our students and to utilizing a variety of instructional strategies so all students are actively engaged in relevant learning and are successful in our classes. We set professional goals annually and frequently re-examine our effectiveness through peer collaboration and the sharing of best practices. Our collaborative and enthusiastic spirit maintains our focus on continuous improvement with the intent to help all students achieve academically and socially at Lexington.
