#AUHSDUNLIMITEDYOU

Our Vex Robotics all girls team won!!!! You heard that! Rock stars pictured above with teacher, Ms. Cummings. This is a club completely ran outside the school day and demands so many hours of study and practice by the students—and the teacher and advisor does all of this because she cares! These students have truly taken the stuff they learned and put it into action! Congratulations!

Assemblyperson, Sharon Quirk-Silva visited our 8th grade English class today to do a Q& A on current bills and civic engagement hot topics. She spoke to the students about their questions relating to homelessness in OC and a variety of current events! She presented our school with a Resolution for our Civic Learning and Engagement Award! Quirk-Silva was a teacher herself before becoming involved in politics. She has always been a supporter of kids and our school!

CAASP Testing (State Testing)

All test are given during school day

Science

4/22 to 4/26 (in science class)

Math

4/29 to 5/3 (in math class)

CAASPP State Testing Announcement:

All 7th and 8th graders will start taking the California Assessment of Performance and Progress (CAASPP) tests as follows: 4-11-19 to 4-12-19 = English CAASPP, 4-22-19 to 4-26-19 California Science Test, 4-26-19 to 5-3-19 Math CAASPP.

It is important that our students give their best efforts; sleep well the night before, eat a healthy breakfast, come with your earbuds and a testing mindset.

In Junior High School, these test scores help give a glimpse into what our students 's strengths are and areas requiring more attention and support. For our English Learners, the CAASPP is one measure to reclassify students as English Proficient which allows access to more elective classes. In High School, these tests measure the degree to which our students are demonstrating college & career readiness. These scores are used for course placement at the community college, CSU, and UC levels since these schools have eliminated placement tests. These scores are also used to determine eligibility for the State Seal of Biliteracy and E L Reclassification.

Please help our students succeed by making sure they sleep and eat. Please bring your EARBUDS (Bluetooth headphones like Ear Pods will not work) on testing days. Students – give it your best effort.
