Unlimited Possibilities at Lexington Junior High School

THIS WEEK'S TOP STORIES

ASB Holiday Dance

Our ASB is the very merriest in our AUHSD family. Check out the awesome dance and party they threw this Friday! A huge thankyou to Mr. Santa Corn, his elves and our amazing PTSA parents who made this event a success for all our students!

Speech

The following students participated in the annual Mikva Soapbox Challenge this weekend! Students voices about bullying, sexual assault, women empowerment, special education inclusion, and many more! A huge thank you to all our teachers who helped this on campus and especially for Mrs. Heck who took these students to the event!

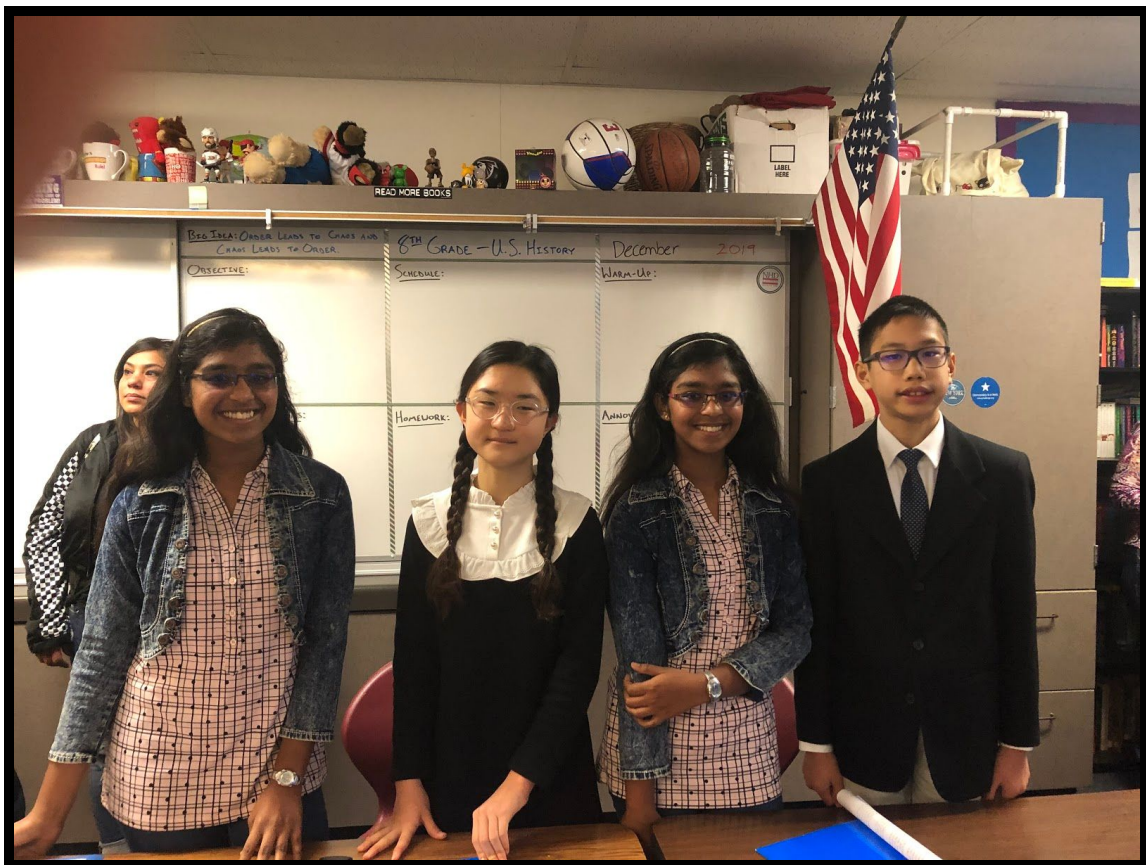

Congratulations to:

Ryan Hwang did his speech on Global Warming.

Devipriya Ajith speech was on school shootings.

Seviprova Ajith speech was on violent crimes in the US.

Hannie Lee was on teens addicted to technology.

Choir Gets Lit

What an amazing holiday show that got an audience of 750 into the holiday spirit! Under the direction of Mrs. Batinga, we saw Christmas music from all over the world in this amazing 1:20 minute performance. Not only that, but Dance Crew had a couple numbers along with guitar! We are lucky to offer an array of arts classes! **Winter Show DVDs available \$5 room 101.**

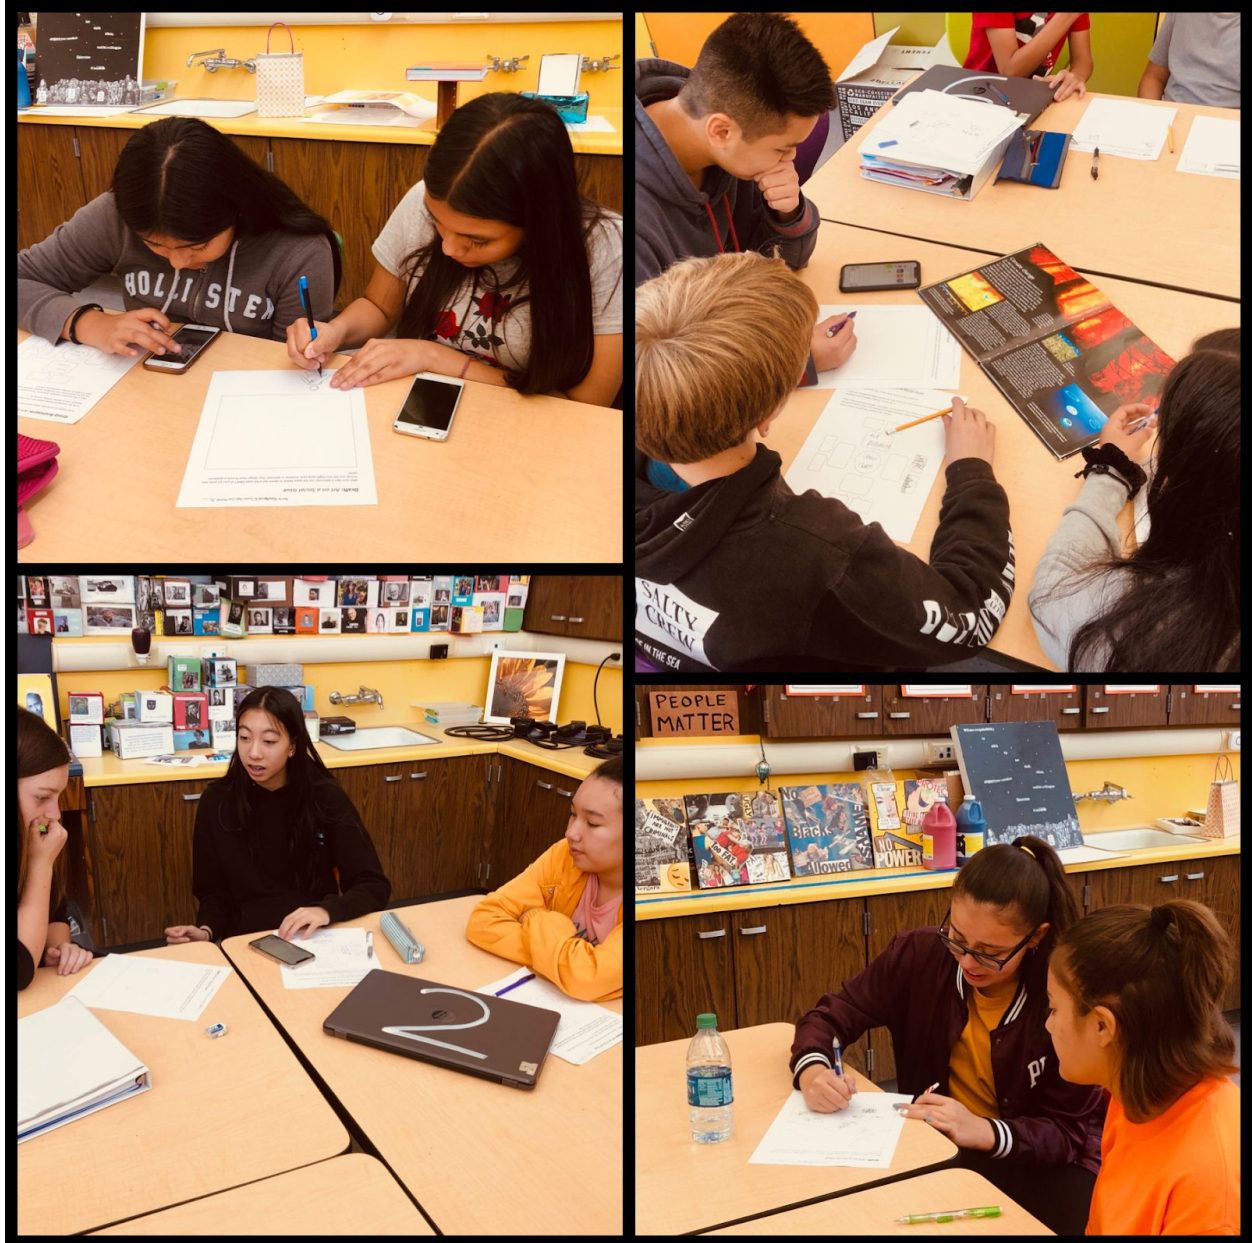

Best Buddies

Our Best Buddies Club had a fun game lunch game day! Check out these happy kids getting to hang out inside and play some good old fashioned board games! The 5th C: character/Kindness!

Christmas Carol Gets Relevant

As part of their unit on Charles Dickens' "A Christmas Carol," the English 7 classes have been creating art to raise awareness about social issues of the students' choices. Here, Mrs. Hind's English class plans how they will express their ideas through a combination of image and text.

Athletics Finish Strong

We wrapped up another successful athletic season-Girls Tennis bringing home second place. Girls Soccer brought home the gold for both 7th and 8th grade. And Boys Basketball got 1st for 8th grade boys and 2nd for 7th grade boys. Congratulations to the athletes and the awesome coaches!

Home Ec Experts

From Mrs. Harpst: So this is one of the coolest things we've done...last year as a 7th grade Young Living student, Ethan Herrera shared a fried rice recipe with me that he had created (he's a GREAT chef btw!). I had him test out this recipe this year and it was DELICIOUS!

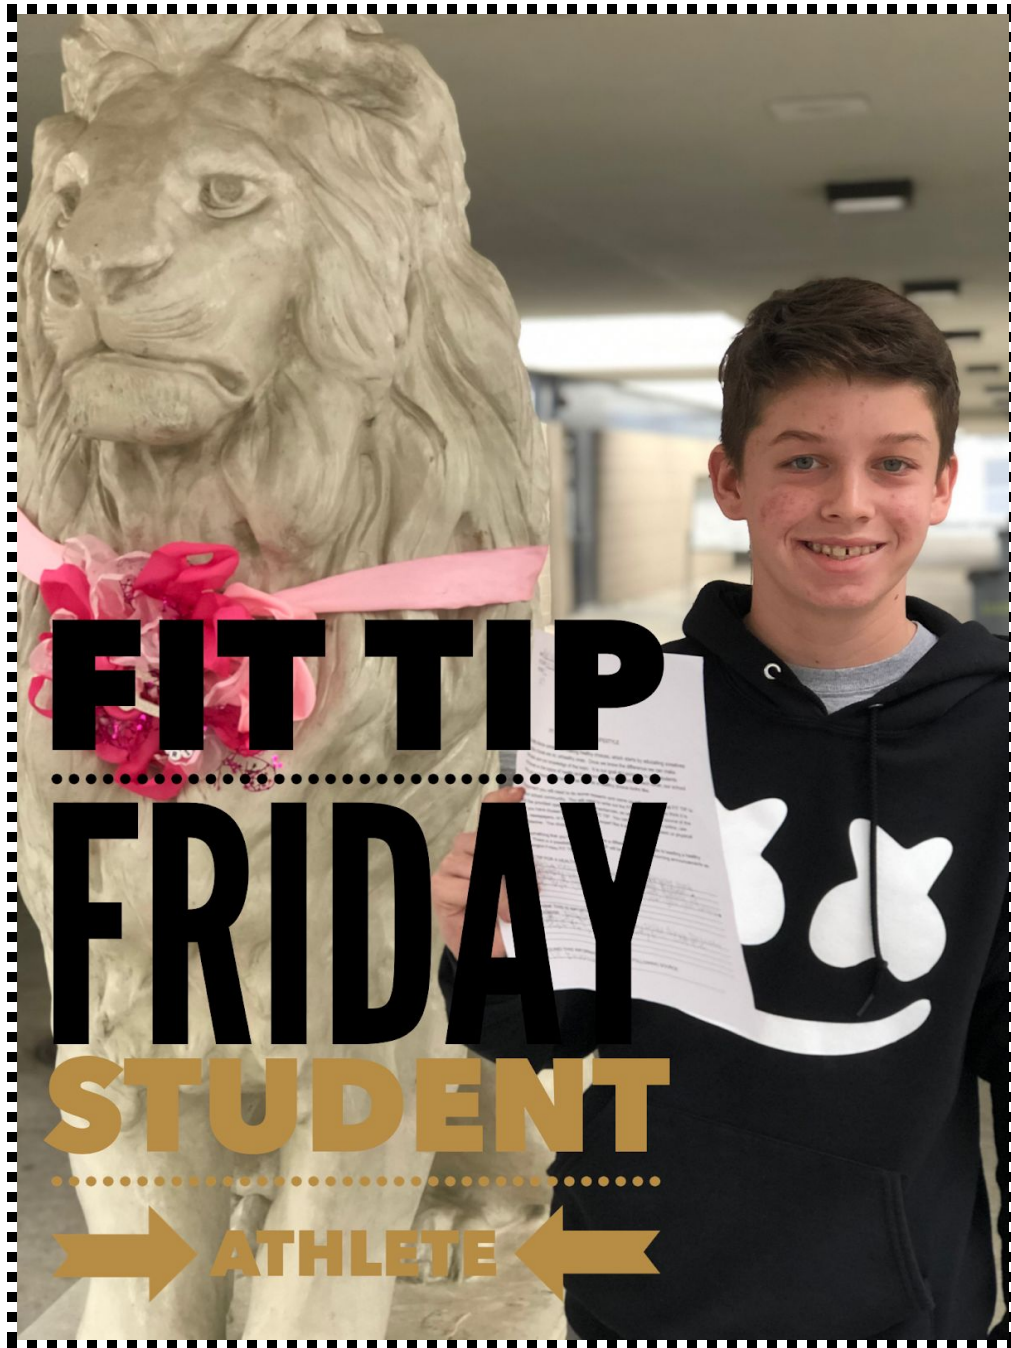

The students voted on their December recipes and Ethan's Famous Fried Rice was voted as a top pick. We made Ethan's rice yesterday and the kids were thrilled!

It was a technical cook in that we had to know how to season the rice as a few of the ingredients were "to taste" or "season" as their measurements.

PE

Here is a quick picture of our Fit Tip Friday student of the day! She shared with us about healthy lifestyles on the morning announcements! I love that our PE classes incorporate literacy into their very active class!

The Power of Family Engagement

What is Family Engagement?

When families take an active interest in their child's learning, students display a more positive attitude toward school. Children learn best when their parents play a variety of roles in their learning.

- Helping at home
- Volunteering at school
- Planning their child's future
- Participating in key decision making

Middle and high school students whose families remain involved make a better transition and are more successful.

Many educational studies show that when parents & families are involved, students tend to:

- Achieve more regardless of ethnic and/or racial background, socioeconomic status, or parent education level.
- Achieve better grades, test scores, and attendance
- Consistently complete homework
- Have better self-esteem, are more self-disciplined, and show higher aspirations and motivation towards school
- More likely to graduate and go onto higher education

How Can YOU Become Involved?

1. Provide Support and leadership through active engagement in your child's education.
2. Work collaboratively with your school's administration, teachers and your Family & Community Engagement Specialist to learn about all aspects of the school's structure and share this information with other parents.
3. Remember that together everyone achieves more. Continue to support your child's learning at home by working with their teacher's to help them develop good homework and study habits.
4. Talk with your child's teachers and school principal to learn about opportunities to get involved in your school's advisory councils as a method to make your talents, skills, and availability to assist known.

Family & Community Engagement Specialist (FaCES)

In an effort to make sure that we engage all of our student's families and increase their success on their campus, our Family & Community Engagement Specialist (FaCES) is here to help!

Your FaCES at Cypress High School can assist you with:

- Referral to Community Resources
- Various Parent Trainings
- English/Spanish Interpretation Assistance
- Online Aeries Support
- Information and Engagement Opportunities within existing advisory committees like:
 - Local Control & Accountability Plan (LCAP)
 - English Language Advisory Committee (ELAC)
 - District English Language Advisory Committee (DELAC)
- Registration Assistance
