Mrs. Houston's Monday Memo

Welcome to the PRIDE

"I AM a LION, not a sheep. A LEADER, not a follower ."

by [Amber Houston](#) on January 27, 2020

We welcomed our Cypress feeder elementary schools to our campus on Friday for the annual Junior High 101 Day! This is honestly one of my favorite days of the year! We get to show off ALL our amazing elective classes, stunning campus, and top notch students! We always open our doors to the gym first with our performances by Drama, Dance, Band and Choir---then they get a tour of our entire campus---and in the MPR they get to watch a student produced Elective video that provides information for all the electives from CTE (ie Home Ec Wood, computers, etc) to other classes like Art, Photo, Yearbook, Business, and STEM. Thank you to Mr. Graves, Ms. Hind, Mr. Cornelius, Ms. Batinga, Mr. Wardle and our Counselors for all the extra time and effort you put into this successful day!

THIS WEEK'S TOP STORIES

Daily Living Skills

In Daily Living skills class our students learned the steps for making a grilled cheese sandwich. Today they got the chance to apply what they learned and cook their own sandwiches! They all did fantastic following the safety rules and step by step directions. For some students, it was their first time ever cooking a hot sandwich all by themselves! We are so proud!

Dance Crew

Dance Crew was awarded 1st place in the CADTD competition this past Saturday! Way to go!!! A huge thank you to Mrs. Batinga who has led this group of kids and providing UNLIMITED opportunities at Lexington!

Choir, Dance, Guitar News

Congratulations to the following students who will be performing in our annual Lexington Idol on: **February 19th - Lexington Idol - MPR 6:30pm!**

Orange County Peer Court

February 05, 2020

Peer Court involves an innovative jury process through which teenage students – ages 11 to 17 – recommend sanctions for first-time juvenile offenders. About 240 minors appear before Peer Court juries each year. Members of the jury pool (participate as a juror) may earn up to two hours of community service.

Operating under the authority of the County of Orange Probation Department, Orange County judges preside over the sessions and select student juries from the audience. The jurors ask questions of the juvenile offender and parent(s), deliberate with the assistance of an attorney advisor and recommend sanctions to the Court to help get the minor back on the right track. The Judge issues the final decision on sanctions with the Probation Department supervising completion of the court-ordered sentence.

When: Wednesday February 05, 2020
2:30 - 4:30 PM.

Where: Lexington Junior High School MPR

How: Just show up and plan to stay the entire time.
You may not leave early. Some history classes give extra credit. See your teacher for requirements.

The Power of Family Engagement

What is Family Engagement?

When families take an active interest in their child's learning, students display a more positive attitude toward school. Children learn best when their parents play a variety of roles in their learning.

- Helping at home
- Volunteering at school
- Planning their child's future
- Participating in key decision making

Middle and high school students whose families remain involved make a better transition and are more successful.

Many educational studies show that when parents & families are involved, students tend to:

- Achieve more regardless of ethnic and/or racial background, socioeconomic status, or parent education level.
- Achieve better grades, test scores, and attendance
- Consistently complete homework
- Have better self-esteem, are more self-disciplined, and show higher aspirations and motivation towards school
- More likely to graduate and go onto higher education

How Can YOU Become Involved?

1. Provide Support and leadership through active engagement in your child's education.
2. Work collaboratively with your school's administration, teachers and your Family & Community Engagement Specialist to learn about all aspects of the school's structure and share this information with other parents.
3. Remember that together everyone achieves more. Continue to support your child's learning at home by working with their teacher's to help them develop good homework and study habits.
4. Talk with your child's teachers and school principal to learn about opportunities to get involved in your school's advisory councils as a method to make your talents, skills, and availability to assist known.

Family & Community Engagement Specialist (FaCES)

In an effort to make sure that we engage all of our student's families and increase their success on their campus, our Family & Community Engagement Specialist (FaCES) is here to help!

Your FaCES at Cypress High School can assist you with:

- Referral to Community Resources
- Various Parent Trainings
- English/Spanish Interpretation Assistance
- Online Aeries Support
- Information and Engagement Opportunities within existing advisory committees like:
 - Local Control & Accountability Plan (LCAP)
 - English Language Advisory Committee (ELAC)
 - District English Language Advisory Committee (DELAC)
- Registration Assistance
