

Hello Lexington students and families,

Today, I wanted to talk to you about looking forward. First quarter is behind us and teachers are busy putting in grades for the quarter. Now is the time to look at where we are at and how we move forward into this 2nd quarter. Both teachers and students have learned a lot on how to navigate, communicate, and organize themselves to handle remote learning. In our last Coffee with the Principal, I spoke about the health care agencies and data that is helping guide AUHSD in making data driven decisions to ensure the safety of our entire Lexington community. I shared how we are looking to the future preparing our campus and the various safety guidelines, so that we are ready when students and teachers are going to return back to campus. I'm looking forward to 2nd quarter with both academic and non-academic programs being put into place for students to have a positive space to interact with one another. Please take a look at the following pages and continue to encourage your children to join a club or create a club. I'm looking forward to our teachers helping guide our students deeper into their subject area and continual civic engagement activities occurring in the classroom. But, most of all I'm looking forward to continuing our vision of what it means to be a Lexington Lion: *We champion a collaborative community that excels in student-centered learning opportunities, creative thinking, and embraces diversity. We empower compassionate citizens of tomorrow to meet the demands of an ever-changing global society.* This is our approach as we start 2nd quarter in remote learning.

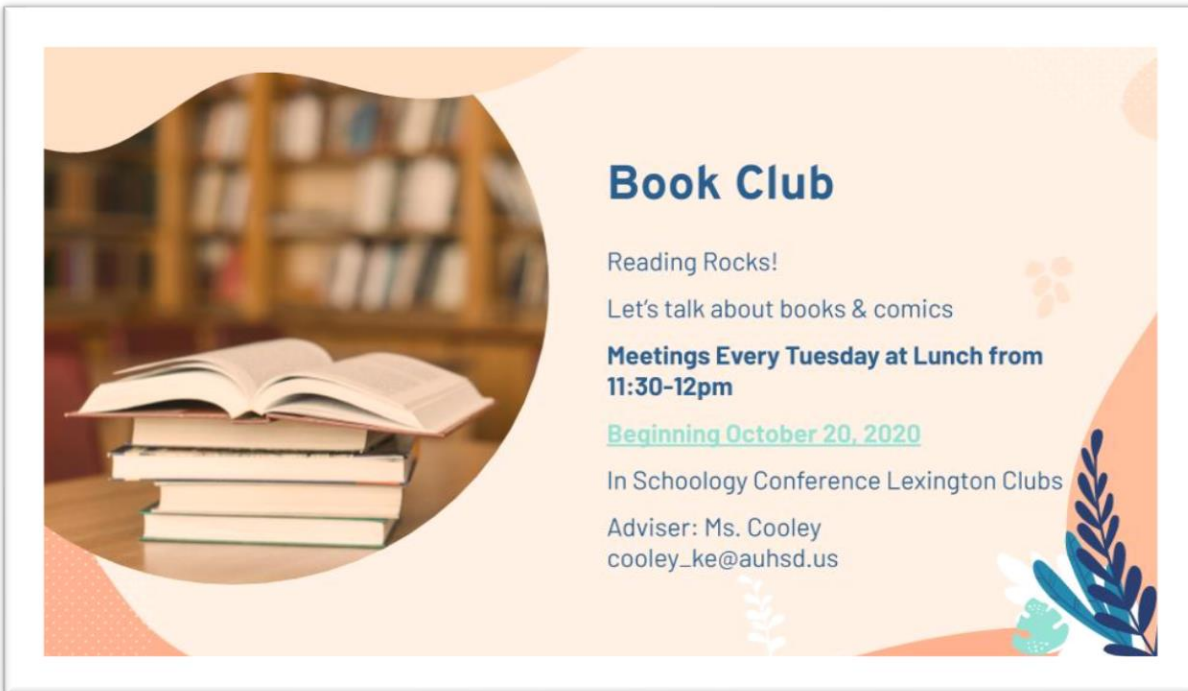

Let's start 2nd quarter strong together!!!

Have a great week,

Daniel Klatzker

2020-2021 PTSA Reflections Contest

My name is Ogechi Ozogu, the Reflection Chairperson for PTSA. This is another time of the year that I will be needing your assistance. I know with distance learning everything is different and new. Please encourage your students to participate in Reflections in any category of their interest. The deadline to drop off their finished work is October 16th. More information about that will come later. I can be reached at oge1512@hotmail.com if you have any additional questions. This information is on the entry form as well. I look forward to working with you.

The poster features a white background with a large green title "I Matter Because..." and the year "2020-2021" below it. A row of six colorful icons (person, speech bubble, book, music note, video camera, and person with gear) is positioned under the year. The background is decorated with a large yellow and orange curved shape and a blue spotlight icon at the bottom right. A red vertical banner on the right side contains a white logo with a stylized 'R' and the text "Reflections Contest". At the bottom, a dark blue section contains the text "Call for Entries" and "Deadline For Entries: October 16th, 2020". Below this, it says "For Details, Contact: oge.ozogu at oge1512@hotmail.com". At the very bottom, it says "Learn more and get involved! PTA.ORG/REFLECTIONS" and the "National PTA" logo.
