

Hello Lexington students and families,

AUHSD held a board meeting Thursday, Oct. 15 where the Board of Trustees approved the return date for students in a blended / hybrid model for in-person instruction on January 6 for 7th graders and January 11 for 8th graders. As we prepare for the return of students at the start of 2nd semester, student and parents will know which cohorts they are in later this quarter. A parent survey went out last week directly to parent emails and a reminder email will be coming out soon. Please make sure that you share your voice and respond to the survey by October 22nd. I am so excited and am looking forward to seeing the students in person at the start of 2nd semester. In the meantime, please keep encouraging your student to get involved in campus life in on-going opportunities. Here are a few that are happening this week:

- Speech and Debate Club will be meeting this Tuesday at 3:30. This is a place where students can learn to be more confident and find their voice.
- GSA meetings meet every Friday at lunch. Making school safer and changing community and building power for the next generation of LGBTQ
- OC Bridges is a space for students who want to build community and make friends – Please see club page on Schoology for further details.
- BSU meets every Thursday at 2:30. Providing an opportunity to help students strive for academic excellence, heighten cultural awareness, embrace cultural diversity and promote unity by exploring African and African American culture.

Take a moment and go to the Lexington Clubs & Activities page on Schoology to join a program. Don't forget to support Breast Cancer awareness by wearing pink on Wednesday and submit your pumpkin decorating contest through ASB. I will leave you with this great quote from one of my favorite authors, Maya Angelou. "You may not control all the events that happen to you, but you can decide not to be reduced by them." Below are Haikus from Mrs. Larson's poetry unit:

Haiku

*I see green pasture.
Grass is life when we lay down.
Gardens enrich life.*

Have a great week,

Daniel Klatzker

HAIKU

Clear blue sunny skies
With flowers blooming high
Laughter fills the air.

Haiku

*I meant what I said.
Wishing you the very best.
I'm not here to stay.*
