

Hello Lexington students and families,

As we prepare to take a short break from school for Thanksgiving, I wanted to express my “Thanks” to all of the students, parents, and staff. I’ve said this before, but it is worth repeating, that this year is unprecedented and we have faced a lot of challenges. I am continuously impressed with the amount of effort that our teachers, staff, students, and parents have put in to maintain the quality of education that is expected out of Lexington. We understand that remote learning cannot replace in person instruction; however, I personally want to thank you for the support as we work through this together.

I also want to express our gratitude for everyone who makes it possible for students to be on time, ready to learn every day.

- Our students and families for making daily attendance a priority since they know the habit of attendance will help them do well in the learning and eventually in a job.
- Our wonderful teachers who pour their energy into making each lesson filled with the 5 C’s so children do not want to miss their class
- Our support staff and community volunteers who provide the extra hands and attention our children need

Please remember that school is closed **November 23-27 and reopens on November 30.** Your efforts to avoid taking extra days off during the Thanksgiving holiday is greatly appreciated! As you know, just a few missed days here and there, even if they’re excused absences, adds up to lost learning time.

Remember to complete the parent survey letting us know **whether your student will participate in a Hybrid Model or prefer to remain in Distance Learning.** See following pages for options being proposed. If you have not had a chance to fill out the survey, please click on this link now to take it: https://auhsd.sjc1.qualtrics.com/jfe/form/SV_eQV0kIXbp6PHoUJ

After Thanksgiving Break, we will be continue to communicate with families and students regarding expectations for 2nd semester. We will also be sending out communication regarding which cohort your student will be in before the winter break. Finally, be on the lookout for 2nd quarter progress reports which will be coming out this week. Please continue to check Aeries for your updated information regarding grades and attendance.

Stay safe this Thanksgiving holiday. We appreciate each one of you so much!

Daniel Klatzker
