

Hello Lions,

As we get ready for week two of 2nd semester, I wanted to share an exciting program and how Lexington Junior High is leading the way in AUHSD. Our OC Bridges club, with advisor Jessica Naudin, English teacher, is dedicated to guiding students' vision of a campus where everyone feels safe, respected, and connected. We currently have 35 7th and 8th grade students participating virtually in the club for the 2020-2021 school year. Each year, the group of students pick a specific issue to tackle and generate a campaign to take action. This year, the

Bridges Club has chosen the environment. They are in the drafting stages of designing a campaign to take steps towards solving the issue on campus and in our community. Students will connect with various resources on campus and within the City of Cypress to make a plan to execute their campaign. The main event to raise awareness and take action is set to take place on Earth Day of 2021. These students have the opportunity to participate in workshops that go into depth about helping with peer-to-peer mental health, diversity trainings, leadership retreats, and youth-led movements. Furthermore, the Bridges Club explores current barriers on campus in order to choose a year long campaign to work on that will

ultimately promote respect and connectedness at Lexington.

Continuing on-line academic supports are available for students 2nd semester. Students can access both academic supports on their Schoology Dashboard.

- Study Buddy – A virtual space for students to work with other students on homework, ask questions, and hangout. **Meets every Tues/Thurs: 2:30-3:30pm in Google Meets.**
- Lexington Tutoring – Getting academic help working with college tutors for all of your subjects and homework needs. **Meets every Tues/Thurs: 2:30-3:30pm and Wed: 3:30-4:30 in Schoology conference.**

1st semester final grades are completed and will be visible through your Aeries account.

Please remember that during this time Lexington campus is currently closed to the public; however, office staff, counselors and administration are available and ready to help support you. If you have any questions or need support please do not hesitate to reach out to the main office – 714-220-4201 or email us directly.

Stay safe and have a great week,

Principal Daniel Klatzker
