

Hello Lions,

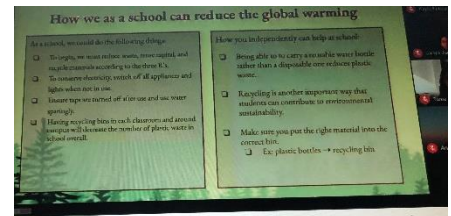

Starting next week April 12th, all 7th & 8th graders will participate in the CAASPP (California Assessment of Student Performance and Progress). All students will be assessed in English and Math. Science for 8th graders is still being reviewed by the state. As a reminder, CAASPP this year will be remote. Students will attend their regularly scheduled classes during the day and only test in the classes indicated below. **Please see the important details on the next page for the requirements for remote testing:**

Thank you to all of our students, staff, and parents who participated in the Lexington Open House last Wednesday. I couldn't be more proud of the student presentations and student work displayed throughout the evening. It is a testament to how hard our teachers and students have been working and rising to the challenge throughout this year of remote learning.

As we enter the last 7 weeks of school, please remember that we have on-going supports and programs to help all of our students be successful:

- **Lexington Lions Den program** is open to all students. This is a supervised virtual all-day program designed for students to increase student engagement, connection with other students and achieve academic success through motivation and other engagement activities. Please see attached flyer for more details. If interested, please contact the main office at 714-220-4201
- **Study Buddies** – A virtual space for students to work with other students on homework, ask questions, and hangout. Meets every Tues/Thurs: 2:30-3:30pm in Google Meets.
- **Lexington Tutoring** - Academic help working with college tutors for all of your subjects and homework needs. Sessions: Tues/Thurs 1:30-2:30pm & Wed: 2:00-3:00 in School dashboard.

ASB will be making these customized pots as a student activity. Students can get their names on it and see them in the quad when they return to campus. More info in the announcements on Tuesday.

Have a great week,

Principal Daniel Klatzker

CAASPP requirements for testing remotely (Please read)

The device the student uses for testing **must include a secure browser and have a working camera**. Students will need a device with a working webcam and microphone.

- Students with school-issued Chromebooks already have the secure browser on them.
- Some school-issued devices are not able to support the secure browser. Messages on exchanging those devices for upgraded devices with the secure browser have been sent to affected students.
- If your student has a Personal Chromebook that they use for online schoolwork it will not work for our upcoming state testing. You will need to check out an AUHSD-issued Chromebook from the school.
- If your student is using a personal device, directions for downloading the secure browser are here:
 - Personal Computer: [Download Secure Browser](#)
 - A support guide is available at this link: [Secure Browser Support](#)

To get a Chromebook for testing from school:

1. Fill out this form online:
https://docs.google.com/forms/d/e/1FAIpQLSc0F3ZLkkmD5hSqNq_S3zQCsd3sbCj9_VWzCBf76n7judvcxw/viewform
2. Come pick up the AUHSD Chromebook between these hours at our library doors. We have campus aides posted and ready to assist you:
8:00 am-12:00 pm & 1:00 pm-4:00 pm

Practice tests:

For access to practice tests for your student, please visit the [Online Practice and Training Tests Portal](#) login page and select Guest User. You will need your SSID to access this practice test. Directions on how to find your SSID can be found in [this video](#).

Additional testing resources:
