

Hello Lions,

I would like to recognize and celebrate Mr. Scott McIver, math teacher and department chair, who will be retiring after 27 years at Lexington. Mr. McIver went to Lexington when it first opened in 1980 and was three grades, 7th – 9th grade. Like so many of our alumni, he returned as a teacher and has taught over 5400 students and coached another 600 in boys and girls basketball, tennis and softball. He wants to say to everyone, “Thanks to the great teachers/staff I had at Lex and up to and including the teachers/staff now, Lexington has always been a place to get an awesome education. The teachers have always put students first in academics, athletics, activities and the arts. And the students at Lex have always been the best! Lexington started out a great school and will continue on this tradition with hard work and dedication by all.” We wish Mr. McIver the best and we thank him for all of his hard work and dedication in helping make Lexington Junior High the great school that it is.

INCOMING 9TH GRADE PARENTS ARE INVITED TO MEET THE CYPRESS ADMINISTRATION TEAM

Cypress Football

Hello incoming 8th graders and parents. We look forward to you arriving at Cypress and helping our freshman football team win its 3rd league championship in a row! We are also excited to watch you build on our 17 game winning streak!! Our varsity is 17-2 over the last two seasons as well and has won back to back league championships. We played for the CIF title last season.

Parents, we will be having an informational meeting within the next month. Please email: centurionfootball@gmail.com. Sign up with them to get all of the latest information.

Summer football will be M- Th and will take place from 6/14- 7/16. Practice will take place from 9:00- 11:00. There may be some 7 on 7 passing competitions in the afternoons. If there are conflicts with multiple sport athletes, we will work those out so athletes can participate in more than one sport. Fall conditioning and practice will begin Wednesday, July 28th. We will be off until June 14th and from July 17th- July 27th.

It is a great time to be a Centurion! I look forward to seeing you back in the classroom and out on the field! Feel free to email me with any questions.
