

Anaheim Union High School District
Lexington Junior High School

Math 7
Mr. Brown

Course Description: This is the first-year course in the sequence of college preparatory courses for AUHSD students. Students will be expected to demonstrate the 5 C's: Creativity, Critical Thinking, Collaboration, Cooperation and Communication. This course will cover topics from the following standards outlined in the California Common Core Mathematics Framework. The topics include the following:

1. Proportional Relationships
2. Rational Number Operation
3. Model with Expressions, Equations & Inequalities.
4. Geometry
5. Sampling; Data Analysis; and Probability.

We are using the HMH: Into Math textbook

Educational Materials: Students are expected to have the following material in class everyday:

- | | |
|---|-----------------|
| Basic Calculator | Binder Reminder |
| Lined Paper | Pen and Pencil |
| A section of the 3-ring Notebook for Class-work | Ruler |
| | Reading book |

Homework Policy: Homework will be assigned an average of (4 to 5 days) a week and is generally due at the start of class the following day. Each homework assignment is designed to reinforce the current day's lesson or the current unit of study. Only students with a verified absence will be allowed to make up any missing assignments. It is the responsibility of the student to ask for the missed assignments. The number of days allotted to hand in make-up work is equal to the number of days the student was verified absent from class.

Grading Policy: Students must earn a total of 120credits and achieve a 2.0 Total GPA to promote to high school. This course will assist students in earning 10 credits toward promotion requirements.

Final grades will be determined by a weighted scale: 60% assessments/projects and 40% assignments. The grading scale is as follows: 90-100%= A, 80-89% =B, 70-79% = C, 60-69% =D, 0-59% = F.

One or two 100 points test will be given per chapter, quizzes will be given as needed for test practice. Students with an excused absence on a test/quiz day should expect to take the test/quiz on the day they return to school.

Teacher/Parent Contact: Please feel free to call and make an appointment to see me. I am available before and after school for appointments. The school number is (714) 220-4201.

.....*Please Return Bottom Portion*.....

I have read this Math 7 Curriculum Letter and understand the course requirements.

Classroom Expectations
Mr. Brown

Dear Students and Parents:

I expect all students in my classroom to behave with courtesy and consideration toward others at all times. Students who respect and follow classroom expectations will receive positive recognition in the form of personal attention and positive home contacts. Adherence to the expectations will ensure the best learning environment for every student.

Classroom expectations:

- Be in your seat and ready to work when the bell rings.
- Get teacher permission before speaking or leaving your seat.
- Respect the personal property and space of other students and the teacher.
- Please finish all foods and drinks before entering the classroom.
- Students are to show respect toward others in word and deed.

Students who choose not to adhere to these expectations jeopardize a positive learning climate for themselves and others in the class and may be subject to one or more of the following consequences.

- Loss of privilege of participation
- Detention
- Parent conference
- Wednesday work study
- Class suspension
- Referral to administration

Students who abide by the expectations will contribute to an outstanding learning environment.

Respectfully,

Mr. Brown
