

Math
Lexington Junior High
SDC Math 7
Mr. Pottios

Course Description: Students will be taught math that correlates with the expectations stated in the California State Math Standards. This course is designed to actively involve students in the study of Math through lectures, notes, reading, exams, discussions and projects. Communication, character, collaboration, creativity and critical thinking all represent the five C's in the Anaheim Union High School District and will be incorporated into all instruction.

Grading Policy: The grading is based on percentage.

90-100 A

80-89 B

70-79 C

60-69 D

0-59 F

Homework Policy: Homework will be assigned when appropriate and will be due at the start of the period the next time class meets. Each homework assignment is designed to reinforce the current day's lesson or the current unit of study.

Missing Assignments Policy: It is the responsibility of the student to ask for missed assignments due to absences. The number of days allotted to hind in make-up work is equal to the number of days the student was verified as an excused absent from class.

Materials: Student planner, paper, pen and pencil. Textbooks will be provided by me and will remain in the class.

Parent communication: Please feel free to contact me anytime via phone or email. I will return all calls as soon as possible. I can be contacted by email at Pottios_m@auhsd.us or by phone (714) 220-4201.
