School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

School Vision Statement:

At Lexington Junior High School, we champion a collaborative community that excels in student-centered learning opportunities, creative thinking, and embraces diversity. We empower compassionate citizens of tomorrow to meet the demands of an ever-changing global society.

Mission Statement:

At Lexington Junior High School we believe we should provide every student with a purposeful education that promotes communication skills, ownership and relevancy.

Educational Highlights:

Lexington Junior High School is a California Distinguished School, Gold Ribbon, and California Democracy School which offers a wide variety of elective opportunities for students, including several that are only available at Lexington, such as Guitar, Beginning and Advanced Choir, Show Choir, three levels of Band, Drumline, Spanish, Home Economics I and II, Art I and II, Drama I and II, as well as Stagecraft, Computers, Digital Animation, Multimedia, Woodshop I and II, Study Skills, Yearbook, Newspaper, Photography, Speech, Robotics, STEM, and Associated Student Body (ASB). Lexington offers multiple levels of math for the students: Math 1, Honors Math 1, Math 2, and Honors Math 2. Lexington Junior High School has implemented a "Silent Study or Reading" program in the middle of the day to give students time to work on assignments or catch up on recent novels. Administration and Counseling pulls our intentional focus groups (at risk, EL, etc) students and provides tutoring and skills based help during this period of time. Lexington counselors meet regularly with parents and students to monitor student progress. English Language Development (ELD) classes are in the schedule for three periods and a College/career Readiness class that rotates each quarter as an intervention class for struggling students. To add an extra layer of support, free after-school tutoring is offered for all subject areas in the Library four days a week. We employ teacher and parent (Korean, Spanish and Arabic) learning walks one time a month.

Demographic Information:

Lexington Junior High School, located in Cypress, California serves 1,259 students, in which 38.5% participate in the Free and Reduced Meal Program, and 7% are English Learners. The demographic profile also indicates the following regarding student subgroups: 8% Hispanic, 20.3% White, 32.9% Asian, 3% African American, 2% Native American/Pacific Islander, and 29.7% multiple ethnicity.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district-level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

This information was collected in September 2019.

School Facility Conditions and Planned Improvements

The Lexington Junior High School campus opened in 1972. The 20.3 acre site includes 43 regular classrooms. There are 9 labs, which are designed for specific programs (i.e. computer lab, science lab, etc.). The site also includes a media center, a cafeteria, a gym, and a variety of sports fields. The Lexington facilities were renovated about 10 years ago, in which all campus buildings were modernized. New science classrooms and staff parking were added. PTSA and the School Site Counsel purchased a new electronic marquee in the summer of 2010.

Maintenance and Repair: Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority.

Cleaning Process and Schedule: The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including waxing of floors and painting, takes place during times when students are not in classes. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

The most recent site inspection was completed on October 26, 2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Lexington Junior High School is a highly active campus, with a wide variety of programs and extra-curricular activities developed for the diverse student body. These activities are successful, because of the genuine support and volunteer spirit of our parents and community. Over 150 parents sign-up annually to assist in the following areas: Book Fair, dances, FunRaiser/FunRun (annual Fundraiser bringing in around \$75,000), band performances, drama shows, dance/choir performances, library assistance, classroom assistance, and reward/incentive programs. Additionally, parents are invited to participate in school-wide reflective learning walks, encouraged to join a very active PTSA, or seek a position on the School Site Council (SSC), Superintendent Parent Advisory Committee (SPAC), Discipline Committee, or English Learner Advisory Committee (ELAC). We hold monthly Coffee with the Principals to inform, educate and empower our families, in addition to Parent Leadership Academies two times a year.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	3.7	2.2	4.8	3.1	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.09	1.83	
Expulsions	.07	.003	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

School Safety Plans are reviewed, discussed, and updated on an annual basis. Input is gathered from staff, students, and community resource groups along with the School Site Council in order to determine any needed changes. The Lexington High School Safety Plan is implemented by staff members. No less than four safety/evacuation drills are conducted throughout the school year. Students, teachers, and other faculty members are required to participate in these drills. Lexington is now equipped with surveillance cameras and the administration team has been trained on use.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Teachers participate in a variety of District in-services as well as professional development workshops and conferences to enhance their content knowledge and instructional skills. This is in addition to four professional development days and weekly late-start meetings, which are scheduled each year for professional learning activities. New teachers are also required to participate in a teacher induction program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize students' assessment results in order to target instruction to better meet the individual needs of students. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons. Teachers and administrators are given many opportunities to examine current instructional programs and strategies and realign with state curriculum performance and content standards. Research-based instructional strategies are reviewed and implemented.

In addition to what the district provides, Lexington Junior High School has weekly professional development opportunities on Tuesday's late start days. The time is utilized by departments, specialized programs, and cross-curricular articulation. All educational staff is involved in a variety of workshops and conferences.
