Irvine has a lovely, quiet park right in the center of the city. The city council wants to make sure that the park stays safe and unpolluted. The members do not want the park disturbed by city noise. In the park you can find grass, trees, flowers, playgrounds, and picnic areas. To make sure that the park stays this way, the city council passes a law.

At all entrances to the park the following sign is posted:

No Vehicles in the Park

Who Can Go In the Park?

1. Antonio Vegas lives on one side of town and works on another. He will save 10 minutes if he drives through the park.
1. There are many trash barrels in the park. People put trash in them to help keep the park clean. The sanitation department wants to go in to collect the trash.
1. An ambulance with a seriously injured victim of a car accident needs to get to the hospital quickly. The shortest route is through the park. The victim may die if they don't take the shortcut.
1. Two police cars are chasing a suspected bank robber. If one officer cuts through the park, she can trap the suspect's car between the patrolcars.
1. The government donates a military tank to the city. It is to be placed in the park as a monument to the town's veterans who died in a war.
