Elective

HEALTHY LIMITS POLICY

Cypress HS limits the number of weighted (AP & Honors) classes students can take per year.

WHY?

Intended to help manage elevated levels of stress students have reported.

GOALS:

Fewer students feeling overloaded.

Students with more time to participate in activities they enjoy.

Fewer students feeling pressure to take a heavier course load than they are ready for.

Students will have more time to attend events on campus which will contribute to the overall school culture.

What does it look like?

	9th	10th	11th	12th
AP/Honors/DE Classes Limit	2	3	3	4
	↓	WAIVER REQUIRED		↓
AP/Honors/DE Classes Limit	3	4	4	5

WHAT DOES THIS MEAN FOR COLLEGE ADMISSIONS?

Admissions officers have indicated that it will **NOT** impact college admissions.

Colleges look at a **student's course load and achievement** relative to what is available to them.

Colleges will be made aware of Cypress HS's Healthy Limits policy.

Aligns with UCs weighted classes they accept (8 semesters).
