FOR STUDENTS

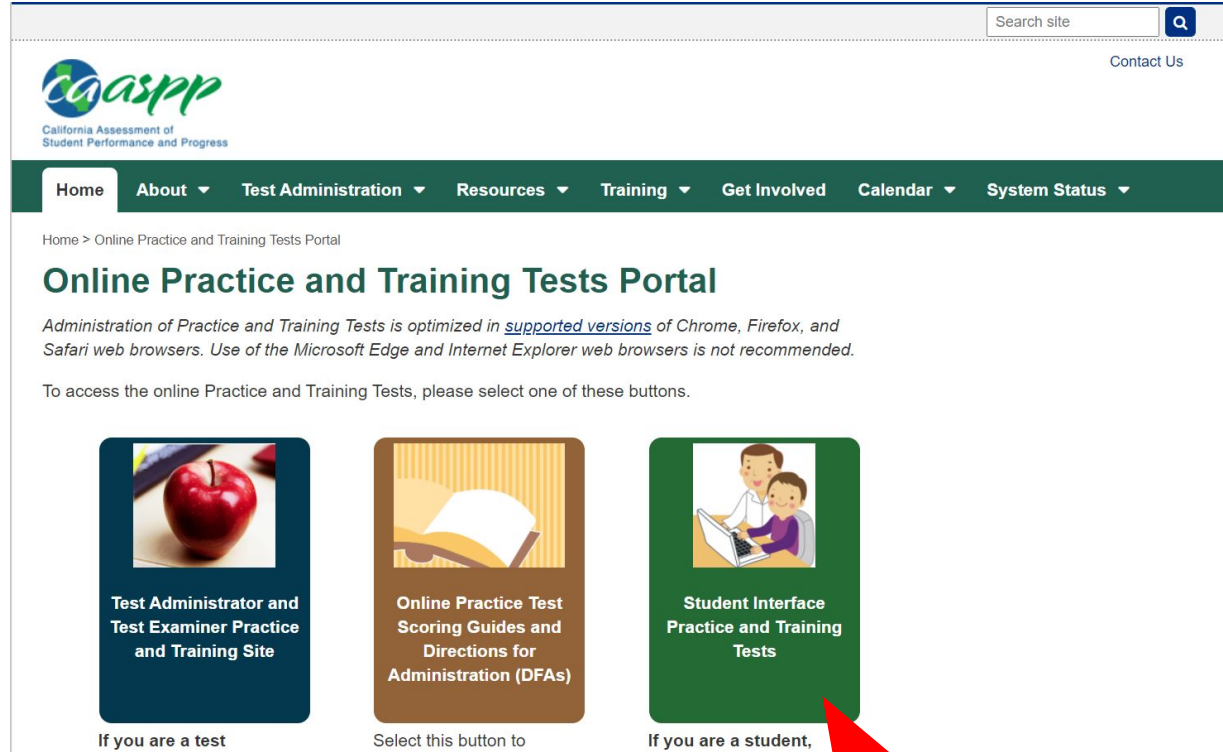

Practicing and
how to test

Computer Adaptive Test (CAT) vs. Performance Task (PT)

CAT	PT
Adjusts level of difficulty to student's abilities.	Opportunity to demonstrate higher-order thinking skills to explore and analyze a complex, real-world scenario.
Student is scored on number of correct answers AND difficulty of questions completed.	Students will receive a score if not completed as long as they access both parts of the test.

'Student Interface Practice
and Training Tests'

The screenshot shows the CAASPP website's navigation menu with options: Home, About, Test Administration, Resources, Training, Get Involved, Calendar, and System Status. The main heading is "Online Practice and Training Tests Portal". Below it, a note states: "Administration of Practice and Training Tests is optimized in supported versions of Chrome, Firefox, and Safari web browsers. Use of the Microsoft Edge and Internet Explorer web browsers is not recommended." A sub-heading reads: "To access the online Practice and Training Tests, please select one of these buttons." Three buttons are displayed: 1. "Test Administrator and Test Examiner Practice and Training Site" (dark blue button with an apple icon) with the instruction "If you are a test". 2. "Online Practice Test Scoring Guides and Directions for Administration (DFAs)" (brown button with an open book icon) with the instruction "Select this button to". 3. "Student Interface Practice and Training Tests" (green button with an illustration of a teacher and student at a laptop) with the instruction "If you are a student,". A red arrow points to the green button.
